MEMORANDUM FOR: Director of Finance

SUBJECT : Study of Agency Participation in NCS

I have asked Mr. John McMahon of the Program Analysis Staff to make a thorough study of all documents pertaining to the Agency's participation in the NCS. I have advised him to seek out [] and to assure complete coverage of his file regarding financial agreements etc. It will be most helpful to John if [] can provide his own thoughts and recollections on the matter. Hopefully we will be able to build a documented record to support the DCI in taking an Agency position on upcoming budgetary issue regarding the NCS.
